Foundation Stage Milk

Dear Parent/Guardian,

Free milk is available for all children under the age of five in school, funded by the UK government. This year, while in Foundation Stage, school have decided to pay for milk for all children throughout the year after their fifth birthday.

Milk will be provided by 'Cool Milk', the UK's leading school milk supplier.

If you have given consent for your child to have milk in school (this is part of their student data form which you will have completed), we will register your child for their free school milk on your behalf by providing Cool Milk with your child's name and date of birth.

All information handled by Cool Milk is processed in accordance with current Data Protection Legislation. The data will be stored securely on Cool Milk's UK-based servers and will not be passed to third parties other than to UK Government departments for audit purposes.

If you have any further questions, please contact school.

Yours faithfully

K Blythe
